Professional Summary

Results-driven professional with **5+ years** of experience in **Business Process Management (BPM)**, dedicated to technical operations and scalable solutions that drive organizational efficiency for international clients. Skilled in handling tricky projects and ensuring they turn out well, building and maintaining relationships with clients, understanding their needs, and developing customized solutions to meet those needs. A proactive individual who excels in changing situations, always contributing to the success of outsourcing projects.

SKILLS

- CRM Tools
- Data Mining
- Lead Generation
- Performance Analysis
- Team Management
- Attention to Detail

PROFESSIONAL EXPERIENCE

Senior Associate *2021 - 2026* | *Fusion Business Solution, Udaipur, India*

- Provided comprehensive virtual support to US, UK, and Australian clients, handling overflow tasks such as internet research, contact info searching (email and phone no.), data entry projects, and customer support.
- Handle daily tasks like setting up new prospects, creating quotes, and generating invoices. **Manage** policy endorsements and **review** all documents to ensure every record is accurate.
- Manage the daily operations for US insurance agencies to ensure their office work runs smoothly.
- Analyzed client requirements to develop customized solutions and ensure project success.
- Demonstrated strong leadership skills by delegating tasks, overseeing major client responsibilities, offering valuable recommendations for process improvement, and leading a Lead Generation project as a Team Leader.
- Maintained **100%** quality standards with meticulous attention to detail and ensuring timely completion of projects.
- Utilized various tools, including CRM, Kendo, iContact, Apollo, EZLynx, Applied Epic, MS Excel, and MS Word.
- Proactively provided training and guidance to new team members.

Customer Care Executive *Aug 2020 - Dec 2020* | *Five Splash Infotech Pvt., Udaipur, India*

- Successfully resolved customer inquiries and issues, including product and service questions, order processing, warranty information, returns, and technical troubleshooting.
- Enhanced Standard Operating Procedures (SOP), resulting in a significant increase in customer satisfaction from **60% to 90%**.
- Recognized by Swiggy headquarters for significantly increasing customer satisfaction, being the only one in a team of 300 to receive such recognition.
- Demonstrated excellent communication skills and the ability to think critically and solve problems effectively.

Site Supervisor *Jan 2019 - Feb 2020* | *Rukkya Construction Co, Udaipur, India*

- Led and expanded a team from **10 to 60** members, ensuring efficient workflow and project execution.

- Successfully completed projects worth approximately **40 lakh** in one year.
- Managed and coordinated various technical aspects of construction projects, including design, materials, equipment, and labor.
- Created and maintained project schedules, prepared cost estimates, and monitored work progress.

KEY ACHIEVEMENTS

- **Team Expansion:** By tackling complex projects and actively seeking client feedback, I identified additional service opportunities. This led to a successful proposal for expanded services, resulting in the client **add on two new staff members** within three months to manage the increased workload.
- **Revenue Growth:** Successfully onboarded a new client in the Lead Generation domain, resulting in a **20%** increase in revenue for a special project.
